

# APRIL 85

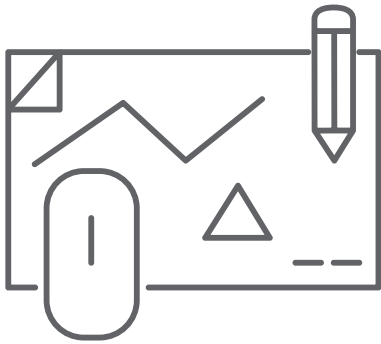

A manufacture attentive to your needs.

[WWW.APRIL85.COM](http://WWW.APRIL85.COM)

Discover how we stand out.

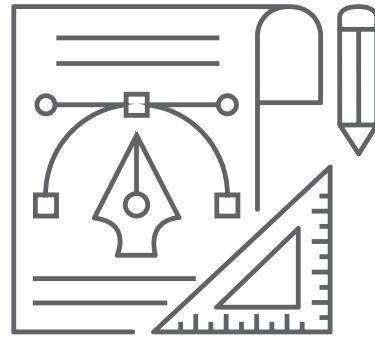

## FROM THE IDEA TO ITS REALISATION

Our manufacture is equipped with a manufacturing workshop including latest generation robotized CNC machining centers, a finishing workshop and a watchmaking workshop. With over 30 years of experience, our team is also active in the fields of eyewear, medical and general microtechnology. From prototyping to large series, we respond to your requests with responsiveness and flexibility.

### Design & Creation

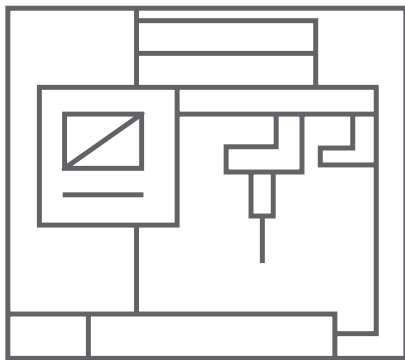

Materialization of ideas

### Engineering & Development

Watch movement & exterior

Micromechanical engineering
